

The Entrance as Modern Art

NEW Lite Frame Options

The Pulse® series of on-trend contemporary doors and glass now includes lite frame options to create both modern and vintage looks that align to individual tastes and home styles.

A lite frame perfect for a contemporary door.

Clean lines and sleek designs.

That's Pulse. Make a bold statement with modern appeal by pairing a Pulse door and glass design with the new flat profile lite frame.

- Pair with Axis™ decorative glass to maximize modern curb appeal.
- Choose from five simply beautiful privacy and textured glass options.
- Also available in Low-E glass.

Vintage style.

The soft lines of the scrolled profile lite frame add an element to Pulse doors that turns back the clock to the 1950s, 60s and 70s.

Modern appeal.

The sleek designs and modern materials of Pulse doors are further enhanced by the clean, contemporary look of the new flat profile lite frame from Therma-Tru.

It's your decision, by design.

Pulse is geometry with energy. Designed to be fun and easy to mix and match. You can create a modern entrance without missing a beat.

1 Start with a STYLE.

Combine doors and sidelites to create an entrance that fits your vision.

2 Choose a MATERIAL.

Each style is available in any of these material choices.

3 Select a GLASS.

Find an available glass design to complete the statement you want to make.

Privacy & Textured Glass

Available for all Pulse door styles.

Decorative Glass

Available for Línea.

Available for Ari.
