* For More Specific Information, Contact your Escon Door Dealer.

Escon Doors Displaying the BTS symbol is your assurance of a door made with State-of-the-art construction techniques. All BTS Door Stiles are constructed with fused, solid wood pieces and laminated with a solid 5mm thick clear face for superior appearance and strength. Look for the BTS symbol on our doors -- It means the door is designed and built to provide an extreme level of protection against warping, cracking and splitting.

The Company:

**Excellence in Craftsmanship. Elegance in Design.
Eloquence in Execution.**

By consistently striving to achieve these benchmarks, Escon has managed to build and maintain a reputation for innovative design and world class craftsmanship.

Selecting the finest available materials from around the world we have produced outstanding interior and exterior doors for more than 20 years. Consistent with our reputation, Escon Doors pays careful attention to every detail ensuring beauty, quality and durability.

Rich grain woods are kiln-dried and hand selected to meet Escon standards for both quality and appearance. The mix of traditional and contemporary decorative glass is triple glazed and insulated for efficiency and durability. Complementing single or double sidelights are also available in several of the door designs.

Enter your home through a beautiful Escon Entrance. Doors and sidelights in rich stains and handsome decorative glass crafted to be the signature touch to your home's exterior landscape.

Each product carries the Escon pledge and guarantee of excellence, elegance and eloquence.
