Great Service Deserves Great Praise

A great window with a great warranty, orders delivered accurately and reliably, service needs handled agreeably and quickly, and all for a fair price.

- We've been named "Best Quality in the Nation" six times by Builder Magazine.
- We've been named the national "Most Used Vinyl Window" four times by Builder Magazine.
- Both Professional Remodeler and Professional Builder magazines have named us "Most Preferred Vinyl Window" three times.
- Our vinyl windows and patio doors were voted "Most Preferred" in 2008 by the readers of Builder & Developer, OPTIONS for Today's Fine Homes, 50+ Builder, Residential Contractor and Green Homebuilder magazines.

It's how a window company should operate.

DESIGN

- Interior frame details such as shadow lines and mitered glazing bead enhances window aesthetics
- The patented Milgard SmartTouch™ lock is integrated into the sash so as not to obstruct views
- Even sightlines between multiple combination windows deliver an architecturally pleasing look while providing serviceability
- Simulated Divided Lite (SDL) grids add dimension and shadowing (varies by location)
- PureView® enhanced visibility window screen available as an upgrade option

FUNCTION

- Engineered to meet ENERGY STAR® in all zones with every window
- Smooth operation on all window operating styles
- The Milgard SmartTouch lock allows for one-touch operation: unlock and open the window in one effortless motion

PEACE OF MIND

- Like all Milgard windows, the Montecito™ Series comes with Milgard's Full Lifetime Warranty. For complete warranty details visit milgard.com
- The SmartTouch lock has been certified to meet or exceed the industry's toughest forced entry codes and offers peace of mind that when the window is closed, you are assured it is locked

INSTALLS EASILY IN NEW CONSTRUCTION

- 3-1/4" overall frame depth with 1-3/8" nail fin setback (1" nail fin setback with stucco key available)
- Custom Sizes and configurations to meet your project needs
- Three J-Channel exterior trim options available

Energy saving options that make a noticeable difference.

All Montecito windows are ENERGY STAR® qualified and come standard with Milgard's exclusive SunCoat® soft coat Low-E insulating glass. With an affordable upgrade to Milgard's new 3D MAX™ energy package, as much as a 23% lower u-factor can be achieved. To achieve the three dimensions of energy

efficiency, engineers start with the highest quality vinyl, integrate the design of the window to reduce thermal transfer and then glaze the window with the best glass and warm edge spacer technology.
