If you can dream it...

Imagine the home of your dreams. You've thought about it many times – warm rooms full of light and life. Maybe there's a master bedroom just waiting for the window to capture the perfect sunset view. Or a cheery kitchen that needs a bay window to let the sunshine stream into the breakfast nook on a relaxed Sunday morning.

We can build it...

This is your chance to make your dreams real. Big or small homes, new or remodeled, classic or contemporary, Milgard Ultra™ and WoodClad™ fiberglass windows and doors add impact and value to your home.

why Milgard

Milgard is one of the largest and most trusted names in windows and doors. For more than 50 years, we've demonstrated our commitment to innovation, quality and service.

While our coverage is extensive, our service is local. Milgard has multiple locations throughout the Western U.S. Our belief is that by being close to our customers, we can provide you better service. This means faster lead and delivery time, as well as faster response to any warranty situations. We're there for you long after the job has been completed. Milgard also has a comprehensive network of qualified dealers and offers some of the best training in the industry.

Milgard controls the entire production, delivery and service process, keeping quality a priority and lead times to a minimum. As we continue to grow, our focus remains on building one exceptional window and door at a time.

Full Lifetime Warranty

At Milgard, we build our windows and doors to last. With the dedication to quality that we put into building the best windows in the business, it wouldn't make sense to back them with anything but the best warranty in the business. That's why we back every properly installed window and door for as long as you own your home—including parts and labor. Ultra and WoodClad Series windows and doors also come standard with Glass Breakage Coverage. It's why you can be sure you won't find any windows better than Milgard. For complete warranty details, visit milgard.com.

Milgard has engineered a window and door system that stands up to weather, insects, and ultraviolet rays, plus maintains their beauty through every season.

See a video about our fiberglass processes here:

Ultra™ Series Windows

Ultra – as the name implies – was designed to be the ultimate in window and door frame material. Ultra combines the benefits of fiberglass with the style of traditional wood windows.

When you first look at a Milgard Ultra Series window, you might think that it's painted wood. That's no coincidence. In fact, the window was designed to match the beauty and profile of a wood window product, while avoiding the maintenance issues that wood windows face.

For appearance and performance, Ultra offers an upscale look that will complement any home. Its baked-on paint finish won't peel or eggshell, unlike a painted wood finish.

One of the toughest windows you can find, Ultra will make a wonderful addition to your home.

WoodClad™ Series Windows

Milgard WoodClad fiberglass windows are built with the same fiberglass frame as our Ultra series, but have a beautiful vertical grain Douglas Fir interior that is ready to take your stain or seal coat.

When it comes to the details, Milgard doesn't stop at providing the highest quality wood. Thanks to some ingenious engineering, WoodClad windows have no unsightly staples or nail holes that are so common in ordinary wood windows. Because of fiberglass's outstanding strength and durability, we have the ability to provide you with the custom shapes, sizes and configurations you demand.

WoodClad windows offer the best of both worlds – the durability of a fiberglass frame, with the warmth of a clear, vertical-grain Douglas Fir veneered interior, all built to your specifications and expertly crafted for your home.

Ultra™ Series Windows

Ultra – as the name implies – was designed to be the ultimate in window and door frame material. Ultra combines the benefits of fiberglass with the style of traditional wood windows.

When you first look at a Milgard Ultra Series window, you might think that it's painted wood. That's no coincidence. In fact, the window was designed to match the beauty and profile of a wood window product, while avoiding the maintenance issues that wood windows face.

For appearance and performance, Ultra offers an upscale look that will complement any home. Its baked-on paint finish won't peel or eggshell, unlike a painted wood finish.

One of the toughest windows you can find, Ultra will make a wonderful addition to your home.

Make it your own...

Glass

As one of the most important components of your window or door, glass can also offer you decorative options and energy efficiency advantages.

Decorative & Tinted Glass

Add privacy or a touch of flare with our many styles of decorative glass. Tinted glass provides additional shading from direct sunlight and warm conditions.

Crystal Groove

Craftsmanship and artistry are combined for distinctive elegance with Milgard Crystal Groove, adding an extra spectrum of light and design that will bring any room to life.

SunCoat® & SunCoatMAX®

Low-E coatings allow visible light through but block heat-bearing and fabric-fading portions of the solar spectrum. The result is less solar gain and UV protection against fading fabrics and furnishings. SunCoat Low-E2 glass comes standard on all Milgard dual-pane windows and patio doors.

Triple Glazing

Triple glazing technology provides yet another option for improving the energy efficiency of your windows and doors. This technology adds a third layer of glass that improves insulating properties, keeping homes in northern regions warmer.

Interior Colors

Exterior Colors

Choose from seven standard exterior colors. All colors come with white interiors. Tan, Brownstone and Matte Black which can be color matched interior and exterior.

Grids

Express your creativity and dramatically increase your home's curb appeal with our virtually endless grid options. Choose grids inside our insulated glass units for easy cleaning.

Colors shown are approximate due to printing limitations.

Window Hardware

Our window hardware is attractive, durable, secure and easy to operate. All hardware is available in these styles and your choice of finishes.

Casement and Awning

Window Hardware Finishes

White Clay Brass Brushed Chrome Satin Nickel Oil Rubbed Bronze

Door Hardware

Coordination and consistency are important to a well designed home. That's why we are offering our patio door hardware in these styles with the same finishes available for Ultra and WoodClad windows.
